

One Dove, Why Dont You Take Me

Oh baby
When I sit and dream
The skies cry with me
Now that I'm alone
Your voice wraps round me

Why don't you take me
Why don't you take me
Why don't you take me
Why don't you take me
Straight to your heart
Yeah I'm asking you please

I need you now
Need you need you now
Need you need you

Oh baby
You had all, and you were robbed
You lost me
And I lost you
(do you know that we lost even) [this lyric not on weatherall's mixes.]

I need you now
Need you need you now
Need you need you
