

One Fine Day, Emily

Do you dare our love,
That covers everything.
Are you scared about us,
Scared about love?
You are part of my way
And I am part of yours.
Oh come what may

Emily
I wonder If you're happy
Walking there beside me
All I do is walk the line
Emily
Don't wanna hear you tell me
You live your life without me
All I do is walk the line
Emily

Do you stare in the sky...
...became a place for you.
Do you stare in the sky, stare in the sky?
You have me all around, all around you.
You've got me there
You've got me there yeah

Emily
I wonder If you're happy
Walking there beside me
All I do is walk the line
Emily
Don't wanna hear you tell me
You live your life without me
All I do is walk the line
Emily
Emily

oh oh oh oh oh oh oh oh oh oh oh oh oh ooooooh
oh oh oh oh oh oh oh oh oh oh oh oh oh ooooooh
oh oh oh oh oh oh oh oh oh oh oh oh oh ooooooh
oh oh oh oh oh oh oh oh oh oh oh oh oh ooooooh

Emily
I wonder if you're happy
Walking there beside me
All I do is walk the line
Emily
Don't wanna hear you tell me
You live your life without me
All I do is walk the line
Emily
Emily
I wonder if you're happy
Walking there beside me
All I do is walk the line
emily

Don't wanna hear you tell me
You live your life without me
All I do is walk the line
Emily
