

One Man Army, Victoria

Last Time In Victoria
It Was Three Am
Ain't No One Near
It Was Me And You
In The City Lights
On The Outside
Sharing Lines
And Empty Bottles Of Good Time
For The Last Time

In Victoria

Tonight The Stars Don't Shine As Bright
As They Use To
They've Gone And Buried It All Here

In Victoria

They Changed The Old Locks
They Got New Voices
You Don't Understand
She'd Say Things Got Complicated
Where Were You?
When Your Friends Died
One By One Here
You Can't Come Around Look'n For Shadows
Or Your Use Too's

In Victoria
