

# One Night Only, Feeling Fine

You say you're alone, oh, oh  
All on your own  
I'll never know why

Where do you turn, oh, oh  
Where do you turn?  
I'll never know why

Wherever you go, oh, oh  
Wherever you go  
I'll never know why

When will you learn, oh, oh  
I don't know  
I'll never know

She'll never believe me  
She knows that I'm running out of time  
But time is a healer  
I'm trying to get her off my mind  
She'll never believe me  
She knows that I'm running out of time  
But time is a healer  
Tomorrow I know I'm feeling fine

You say that I'm wrong, oh, oh  
Everything's wrong  
I'll never know why

Now that I'm gone, oh, oh  
Everything's gone  
You'll never know why

Feeling so cold, oh, oh  
Out in the cold  
I'll never know why

When will you learn, oh, oh  
I don't know  
I'll never know

She'll never believe me  
She knows that I'm running out of time  
But time is a healer  
I'm trying to get her off my mind  
She'll never believe me  
She knows that I'm running out of time  
But time is a healer  
Tomorrow I know I'm feeling fine

I'm trying to get her off my mind  
She'll never believe me  
She knows that I'm running out of time  
But time is a healer  
Tomorrow I know I'm feeling fine  
Tomorrow I know I'm feeling fine  
Tomorrow I know I'm feeling fine
