

# One Night Only, Say You Don't Want It

Talk all the talk with a poet's style  
Tongue like electric, eyes like a child  
Buy all your wives and the classic cars  
Live like a savior, live like the stars  
Talk all the talk with a model's smile  
Tongue like electric, eyes like a child  
Buy all your highs and the classic cars  
Die on the front page, just like the stars

The big screens, the plastic-made dreams  
Say you don't want it, say you don't want it  
It's our world, the picture-book girls  
Say you don't want it, say you don't want it  
Don't you ask me if it's love my dear  
Love don't really mean a thing round here  
The fake scenes the plastic-made dreams  
Say you don't want it, say you don't want it

Pace all the rooms with a jealous style  
Tongue like electric, eyes like a child  
Paint all your soul with the grand designs  
Reach like a savior, your heart on the line  
Talk all the talk with a model's smile  
Tongue like electric, eyes like a child  
Buy all your highs and the classic cars  
Die on the front page, just like the stars

The big screens, the plastic-made dreams  
Say you don't want it, say you don't want it  
It's our world, the picture-book girls  
Say you don't want it, say you don't want it  
Don't you ask me if it's love my dear  
Love don't really mean a thing round here  
The fake scenes the plastic-made dreams  
Say you don't want it, say you don't want it
