==English Translation==

&lt;/lyrics&gt;

For those that sleep on the seas  
The lullaby is the Sea Moon  
The bedsheets of waves that project the night sky  
Make the stars wave about  
And twinkle more than the sky

For those that sleep on the seas  
The lullaby is the Sea Moon

The moon bleeds into each one  
To those that they can't meet  
And guide them to their smiles

SEA MOON SEE YOU  
If I can see you again  
SEA MOON SEE YOU  
After I make my dream come true  
Take those men who do not fear battles  
And quietly put them to sleep...  
Good night, good night...

For those that sleep on the seas  
The lullaby is the Sea Moon  
On those shoulders that don't know peacefulness  
A gentle blanket  
I'll teach you

If I am to sacrifice everything to these seas  
I'm sure to find everything in these seas...  
And again...

For those that sleep on the seas  
The lullaby is the Sea Moon  
Children who do not wake from their dreams  
So we don't wake them  
So we don't wake them...  
SEA MOON SEE YOU
