Katie&quot; I said, &quot;I think I'm gonna marry you.&quot;  
and she said, &quot;Are you asking me, or are you telling me?&quot;  
&quot;I'm asking you&quot;  
&quot;Well go ahead and ask me, then&quot;  
And so I did, and she accepted, and we went out into our days.

I won't break, I will wait, I won't hide, I will stay, I'll never run away  
When I'm sick I will try, when you're you're scared I will smile, I'll never run away  
I'll never run away

Congratulations, you've blown us all away  
Forget the waiting, no one needs those games  
I'll celebrate it, so simple and so plain  
Congratulations, now never run away.
