

# OneRepublic, Better Days

i know that they'll be better days  
that sunshine bout to come my way  
may we never ever shed another tear for today  
cause , I know that they'll better days

walking up in CALIFORNIA  
BUT THESE CLOUDS THEY WON'T GO AWAY  
everyday is like another storm  
I am just trying not to go insane  
in the city shining so bright  
so many dark nights  
so many dark days  
but every time I feel the paranoia  
I close my eyes and I pray

i know that they'll be better days  
that sunshine bout to come my way  
may we never ever shed another tear for today  
cause , I know that they'll better days

been waking up to a new year  
got the past a million miles away  
I am waking up to a new year  
but I know it'll wash away  
whatever you do don't worry bout me  
I am thinking bout you  
don't worry about us  
cause in the morning everything can change  
and time will tell you it does

i know that they'll be better days  
that sunshine bout to come my way  
may we never ever shed another tear for today  
cause , I know that they'll better days

Better Days  
Better Days  
Better Days  
Better Days

may we never ever shed another tear today  
cause I know that they'll be better days
