

# OneRepublic, Feel Again

It's been a long time coming since I've seen your face  
And I've never went back trying to replace everything that I've had till my feet went numb  
Praying like a fool that's been on a run  
Heart still beating but it's not working  
It's like a million dollar phone that you just can't ring  
I reach out trying to love but I feel nothing  
Yeah, my heart is numb

But with you  
I feel again  
Yeah with you  
I can feel again

Yeah

Woo-hoo (x4)

I'm feeling better since you know me  
I was a lonely soul but that's the old me

It's been a long time coming since I've seen your face  
And I've never went back trying to replace everything that I broke till my feet went numb  
Praying like a fool that just shot a gun  
Heart still beating but it's not working  
It's like a hundred thousand voices that just can't sing  
I reach out trying to love but I feel nothing  
Oh my heart is numb

But with you  
I feel again  
And with you  
I can feel again

But with you  
(I'm feeling better since you know me)  
I feel again  
(I was a lonely soul but that's the old me)  
Yeah with you  
(I'm feeling better since you know me)  
I can feel again  
(I was a lonely soul)

Woo-hooo

Woo-hooo (x4)

(I'm feeling better since you know me)  
(I was a lonely soul, but that's the old me)  
(I'm feeling better since you know me)  
(I was a lonely soul, but that's the old me)  
(I'm feeling better since you know me)  
(I was a lonely soul, but that's the old me)

I'm feeling better since you know me  
I was a lonely soul but that's the old me  
A little wiser now but you show me  
Yeah, I feel again  
Feel again...
