

# OneRepublic, I Lived

Hope when you take that jump  
You don't fear the fall  
Hope when the water rises  
You build a wall

Hope when the crowd screams out  
They're screaming your name  
Hope if everybody runs  
You choose to stay

Hope that you fall in love  
And it hurts so bad  
The only way you can know  
Is give it all you have

And I hope that you don't suffer  
But take the pain  
Hope when the moment comes  
You'll say...

I, I did it all  
I, I did it all  
I owned every second  
That this world could give  
I saw so many places  
The things that I did  
Yeah, with every broken bone  
I swear I lived

Hope that you spend your days  
But they all add up  
And when that sun goes down

Hope you raise your cup  
I wish that I could witness  
All your joy and all your pain  
But until my moment comes  
I'll say...

I, I did it all  
I, I did it all  
I owned every second  
That this world could give  
I saw so many places  
The things that I did  
Yeah, with every broken bone  
I swear I lived

Yeah, with every broken bone  
I swear I lived  
Yeah, with every broken bone  
I swear I lived

I, I did it all  
I, I did it all  
I owned every second  
That this world could give  
I saw so many places  
The things that I did  
Yeah, with every broken bone  
I swear I lived
