Prince Poetry:

Damn sis, you lookin kinda, extra
Diggin your cat strut and your beautiful cocoa carribean texture
Savin all the small talk lecture, for chump light
You know deep inside I wanna sex you like no other
Chasin you down Jamaica Ave
A ghetto dope Cleopatra, nigga shorty was bad
First she was iggin me son, sliding up in strawberries
Suckin down a sugar cone with nuts, sprinkles and cherries
Excuse me miss, but-uhh pecan

Can I get a lick?

I be the Prince Po, the rebirth of slick

So its cool like that

Me and you can make it all that, four flat

Into this elevator exotic world with the tall black

Ghetto dope Don Juan ready to see reflections in Amazon rivers with ya blue watters

Matchin straw hat, see the picture

Love it but it ain't perfect

We can exchange this data and later respectfully work it

Wheew!

I'm nothin but a space aged freak who wanna beam you up later this week So baby whats the word

Shugah Shorty why you backin up, got a nigga out here iggy actin up

Pharoahe Monch:

Damn, it's like uhh,uhh, a feeling that I get inside Hard to explain it, I'm getting tongue tied like I hate when I wheez, stublin over the words mumblin, fumblin over my opening line Jumblin rhymes together, you know my palms get all sweaty And I uhh, ahh, uhh, ahh, uhh, ahh, uhh! Misses, I can't explain how much I want to be up in it And I know you ain't had no dick in a minute Oh, you smoke beedies, see you go Couldn't you see me and you stressed out in bikini's on the beach in Tahiti? See me I'm very selective even though I could be greedy My main objective is to write our names together in graffiti And are be (?) so y'all can see me, speedy

You can be my centipede like we-be-fore-play
Cause I gourmet my food up like eatie and Maxwell
Similar to that smooth kid's C-D
Monch, easily the most measily unmistakable
Believe me

Chorus

Pharoahe Monch:

This one little chick she pissed me off Comin out the store, now I'm holdin the door To the Bodega, she got a little man with her Figuring if I kicks it to the kid then I could get her right Say listen

I see you around every night around seven o'clock

You walkin up the block (?) with the rocks on the side of the crib

With your kid on ya hip and ya close top notch,

You know the thirst baby

First we can deal with the math if you search through your purse for a pen We can blast off

Like Hubble Space Craft material

I'm aware of you and your concern about vanirial diseases

If it pleases you, shit, Jesus

I pack profolactics that stretch to my knees

She squinted, with a demented look behind a tented glass of a girlfriend

Rented, Benz E-Class vented hate But still hinted like I was self centered

She said speak to the hand

Y'all know that shit that girls invented

Aww, see it didn't have to be be like that wit you fiberglass

Backboard ass that's mad flat bitch

Shugah Shorty why you backin up, got a nigga out here iggy actin up

Hurricane G:

Hurricane G:

Prince Poetry:

When I'm grown I don't hump, I bone I ain't playin I'm a man who likes a treat Message feet of the independent Queen To throw up some heat

Shit girl I can fix you something to eat
Prepare a five course meal while I'm makin the beat
Already got two things in this beautiful universal common
That's lovin a tight ass fuck, and some tight ass rymin
So what
We into somethin or your frontin, pilgrum
I ain't askin a protif be for make children
I'm skilled in body messages and sexual healin
I'm gentle, but I'm runnin wild just to make a million
We buildin baby
So here's enough for you to handle
That'll light you up and blow you out like candles

Chorus
