

Orgy Complex, Yo Mama

Listen to me rhyme
I bet you think it's sublime
I really don't have the time
To listen to you whine

About your life
Your wife
Yo Mama's drama
Shit, I ain't playin'
This is called karma

I'm the best, you see
The definition of ecstasy
No one can compare to me
I swear to be

The best
Better than the rest
You can put me to the test

Yankee Doodle went to town
A-ridin' on Yo Mama
When the morning sun came up
She found she fucked Osama

Hey, Yo Mama gave it up
Gave it to Osama
Pulled his beard and spanked him hard
Be proud that bitch Yo Mama

Yo Mama!
