

# Orson, No tommorow

Let's go to a rave  
And behave like we're tripping  
Simply 'cause we're so in love.  
Funny hats, shiny pants  
All we need for some romance  
Go get dolled-up and I'll pick you up.  
There's no line for you and me  
'Cause tonight we're V.I.P.  
I know somebody at the door.  
I see that twinkle in your eye  
You shake your ass and I just die  
Let's check our coats and move out to the floor.  
When I'm dancing with you tomorrow doesn't matter  
Turn that music up till the windows start to shatter  
'Cause you're the only one who can get me on my feet and...  
I can't even dance  
Just look at me, silly me  
I'm as happy as can be  
I got a girl who thinks I rock  
And tomorrow there's no school  
So let's go drink some more Red Bull  
And not get home till about 6 o'clock  
When I'm dancing with you tomorrow doesn't matter  
Turn that music up till the windows start to shatter  
'Cause you're the only one who can get me on my feet and...  
I can't even dance  
Everybody here is staring at the outfit that you're wearing  
Love it when they check you out  
Cover's only 20 bucks and even if the DJ sucks  
It's time to turn this mutha out!  
When we're together  
When we're together  
There's no tomorrow  
There's no tomorrow  
When we're together  
There's no one in the world  
But you and me  
Oh, you and me  
Oh, you and me
