

# Otis Redding, The Dog

Do the dog, do the dog  
Do the dog now, baby  
Come on, do the dog, yeah  
Do the dog  
Everybody's doin' the dog  
come on, hey baby

Do the hound dog, yeah  
Do the hound dog, baby, come on  
Let's do the hound dog, baby  
Do the hound dog, yeah  
Do the dog  
Everybody's doin' the dog

Do the bird dog, yeah  
Do the bird dog, yeah  
Do the bird dog, baby, come on  
And do the bird dog, yeah  
Do the dog  
Everybody's doin' the dog  
Come on

Do the bird dog  
Do the hound dog  
Do the poodle, any kind of dog  
Let's do the dog  
Do the dog  
Everybody, let's do the dog

Come on, baby  
Let's walk this dog now  
Oh just-a, just-a, just-a walkin'  
Just-a, just-a, just-a walkin'  
Just-a, just-a, just-a walkin'  
Let's do the dog  
Then we'll walk the dog  
Come on, baby  
Let's walk it one more time
