

# Our Lady Peace, Clumsy

Throw away the radio  
Suitcase... Keeps you awake  
Hide the telephone, the telephone  
Telephone in case  
You realize that  
Sometimes you're just not OK  
You level out, level out, level out  
It's not alright now  
You need to understand there's nothing strange out this  
You need to know your friends, you need to know that  
I'll be waving my hand watching you drown  
Watching you scream, quiet or loud

And maybe you should sleep  
And maybe you just need a friend  
As clumsy as you've been there's no one laughing  
You will be safe in here, you will be safe in here

Throw away this very old shoelace  
Tripped you again  
Try to shrug it off, shrug it off, shrug it off  
It's only skin now  
You need to understand there's nothing fake about this  
You need to let me in, I'm watching you and  
I'll be waving my hand watching you drown  
Watching you scream, no one's around

And maybe you should sleep  
And maybe you just need a friend  
As clumsy as you've been, there's no one laughing  
You will be safe in here, you will be safe in...

I'll be waving my hand watching you drown  
Watching you scream, quiet or loud

And maybe you should sleep  
And maybe you just need a friend  
As clumsy as you've been, there's no one laughing  
You will be safe in here, you will be safe in here... Yeah  
You will be safe in here...  
in here... Yeah... in here... Yeah... [etc.]
