Our Lady Peace, Stole

When you fall in love You hit the ground so fast Never ends nor never last Once or twice you rolled the dice To only find your lucks gone bad (chorus) With out the sour in the hours The sweet wouldnt be such a treat With out you Im incomplete I've been in love only once But I let him go befor I'd know That he was the one for me My soul mate my everything Tryin to figure out my life Tryin to make sence of it Tryin tryin cryin cryin Where did you go Where did you go I wanna knowwwwwwwww That was my song
