

Our Lady Peace, Whatever (Chris Benoit's Theme)

There's no holding me back
I'm not driven by fear
I'm just driven by anger
And you're under attack
Just climbing up slowly
I'm the one and only

The tease, the way you lie
The stumble in your mind
The fear, the hope inside
They hit here
Hit here

But whatever you need
Ever you got
Ever you want
I'll take back again

Whatever you need
'Ever you got
'Ever you want
I'll take back again

There's no holding me back
I'm not driven by fear
I'm just driven by anger
And you're under attack
Just climbing up slowly
I'm the one and only

The tease, the way you lie
The stumble in your mind
The fear, the hope inside
They hit here
Hit here

But whatever you need

Ever you got
Ever you want
I'll take back again

Whatever you need
Ever you got
Ever you want
I'll take back again
Though whatever you need
Ever you got...

But whatever you need
Ever you got
Ever you want
I'll take back again

Whatever you need
'Ever you got
'Ever you want
I'll take back again

Whatever you need
'Ever you got
'Ever you want
I'll take back again

But whatever you need
'Ever you got...

Whatever you-ohh-ohh
Whatever you
Whatever you
whatever you
