## Our Lady Peace, Whatever (Chris Benoit's Them

There's no holding me back I'm not driven by fear I'm just driven by anger And you're under attack Just climbing up slowly I'm the one and only

The tease, the way you lie The stumble in your mind The fear, the hope inside They hit here Hit here

But whatever you need Ever you got Ever you want I'll take back again

Whatever you need 'Ever you got 'Ever you want I'll take back again

There's no holding me back I'm not driven by fear I'm just driven by anger And you're under attack Just climbing up slowly I'm the one and only

The tease, the way you lie The stumble in your mind The fear, the hope inside They hit here Hit here

But whatever you need

Ever you got Ever you want I'll take back again

Whatever you need
Ever you got
Ever you want
I'll take back again
Though whatever you need
Ever you got...

But whatever you need Ever you got Ever you want I'll take back again

Whatever you need 'Ever you got 'Ever you want I'll take back again

Whatever you need 'Ever you got 'Ever you want I'll take back again

But whatever you need 'Ever you got...

Whatever you-ohh-ohh Whatever you Whatever you whatever you
