

Out of Eden, River

It's hard to see that
Hard to believe that I once was all on my own, ohhh yeah
'Cause You've been faithful,
And I'm so grateful that you never left me alone
(Oh it's so good to know)
To know that You are with me all of the time
(You'll never let me go) and I am walking with You to stay alive ohhh

Chorus:
When the mountains fall
when the stars collide
I know You'll be there
Standing by my side, oh-oh-oh
When the river runs
Overflows the seas
I know You'll be there
still be lovin' me

Some try to tell me
That there's another something
That fulfills like You do, mmm
But I'm not leaving
There's nothing out there
Not a thing more precious than You ohhh yeah
(I have no need to fear)
My Father watches over me night and day, yes he does
(My choice is very clear)
I'm so delighted to be walking Your way

Chorus(x3)

Bridge:
Never have to worry
(mmm my God)
I'll never have to fear
'Cause You are always near, taking good care of me
(mmmm)
I'll never have to worry
I'll never have to fear
(my God)
'Cause You are always near, and You will still be lovin' me

Chorus (5x)
