Over The Rhine, Born

I was born to laugh I learned to laugh through my tears I was born to love I'm gonna learn to love without fear

Pour me a glass of wine Talk deep into the night Who knows what we'll find

Intuition, deja vu The Holy Ghost haunting you Whatever you got I don't mind

Put your elbows on the table I'll listen long as I am able There's nowhere I'd rather be

Secret fears, the supernatural Thank God for this new laughter Thank God the joke's on me

We've seen the landfill rainbow We've seen the junkyard of love Baby it's no place for you and me

I was born to laugh I learned to laugh through my tears I was born to love I'm gonna learn to love without fear
