

Owl City, Hello Seattle

--Hello Seattle, I am a mountaineer
In the hills and highlands
I fall asleep in hospital parking lots
And awake in your mouth

--Hello Seattle, I am a manta ray
Deep beneath the blue waves
I'll crawl the sandy bottom of Puget Sound
And construct a summer home

--Hello Seattle, I am the crescent moon
Shining down on your face
I will disguise myself as a sleeping pill
And descend inside of you

--Hello Seattle, I am a cold seahorse
Feeling warm in your sand
I sing about the tide and the ocean surf
Rolling in the evening breeze

--Hello Seattle, I am an albatross
On the docks and moor boats
I sail above your inlets and interstates
Through the rain and open wind
--Hello Seattle, I am an old lighthouse
Throwing beams of bright light
Red in the morning, blue in the evening sun
Taking heed for everyone

--(Hello Seattle, I am a mountaineer)
(In the hills and highlands)
(I fall asleep in hospital parking lots...)

Take me above your light
Carry me through the night
Hold me secure in flight
Sing me to sleep tonight

Take me above your light (Hello Seattle, I am a mountaineer)
Carry me through the night (In the hills and highlands)
Hold me secure in flight (I fall asleep in hospital parking lots)
Sing me to sleep tonight (and awake...)
