

Ozzy Osbourne, It's A Raid (ft. Post Malone)

it's a raid
oh, no
hide everything

I hear them breathing on my telephone
I know I'm never alone
I been to places you should never go
god's really satan and he's waiting for you out there

hideaway
I've been locked up for 7 days
I'm never coming out
wide awake, I feel my heart accelerate
I am never coming down
mama said: you can't kill what's already dead
and all the feds are waiting for me somewhere
I've been locked up for 7 days
I'm never coming out
everybody wants me
everybody wants me

outside my window
there's a silhouette
my rifle's right beside my bed
hold on
I am running out od cigarettes
fuck!

hideaway
I've been locked up for 7 days
I'm never coming out
wide awake, I feel my heart accelerate
I am never coming down
mama said: you can't kill what's already dead
and all the feds are waiting for me somewhere
I've been locked up for 7 days
I'm never coming out
everybody wants me
everybody wants me
