

# P!nk & Khalid, Hurts to Be Human

will you make it sound so pretty even when it's not  
didn't choose but it's the only one we've got  
and sometimes I get so tired  
of getting tied up in my thoughts  
you're the only one that often makes it stop

God, it hurts to be human  
without you I'd be losing  
and someday we'll face the music  
God, it hurts to be human  
and you got me too  
like we're buckled and preparing before the crash  
like we're alking down a road f broken glass

now id we defeat all odds  
and it was us against the world  
you can count on me  
you know I'd have your back

God, it hurts to be human  
without you I'd be losing  
and someday we'll face the music  
God, it hurts to be human  
and you got me too  
like we're buckled and preparing before the crash  
like we're alking down a road f broken glass  
God, it hurts to be human  
without you I'd be losing  
and someday we'll face the music  
God, it hurts to be human  
and you got me too  
like we're buckled and preparing before the crash  
like we're alking down a road f broken glass

hope flows away  
if you could spend a day in my shooes  
your mind could change  
if you'd know what I've gonr through  
we want the same  
maybe then you'll understand  
how it hurts to be human

God, it hurts to be human  
without you I'd be losing  
and someday we'll face the music  
God, it hurts to be human  
and you got me too  
like we're buckled and preparing before the crash  
like we're alking down a road f broken glass  
God, it hurts to be human  
without you I'd be losing  
and someday we'll face the music  
God, it hurts to be human  
and you got me too  
like we're buckled and preparing before the crash  
like we're alking down a road f broken glass
