

# P.O.D., Will You Remix

See you sitting next to the window in the bedroom  
She breaks down, breaks down,  
Crying over something and staring into nothing  
Afraid now, hate now  
Wanting, needing, hunting, its killing me  
Thinking what has happened to live a life like that  
Now I break down, its fake now

Will you, will you love me tomorrow?  
So will you, will you stay with me today?

Fading out of reasons to fight the way shes feeling  
She breaks down, breaks down  
Going through the motions and holding on the hopes  
When the dreams all come out  
Shaken, mistaken, forsaken, its killing me  
Wishing you could change but he's always been this way  
If you leave now, I'll drown

Will you, will you love me tomorrow?  
So will you, will you stay with me today?  
Will you, will you be here tomorrow?  
So will you, you remember yesterday?  
Yesterday yesterday yesterday yesterday

This time, I'm sorry  
This time, I'm sorry  
This time, this time, I'm sorry for this time  
This time, this time, I'm sorry for this time  
THIS TIME IM SORRY

Will you, will you love me tomorrow?  
So will you, will you stay with me today?  
Will you, will you be here tomorrow?  
So will you, you remember yesterday?  
Will you, will you love me tomorrow?  
So will you, will you stay with me today?  
Will you, will you be here tomorrow?  
So will you, you remember yesterday?
