

# Pain, Have A Drink On Me

I don't believe in love  
I love the way it tastes  
Please don't expect too much  
'Cause I don't wanna be involved

I had my share of women  
Even some marriage too  
And every time I end up with my pants down  
Looking like a fool

I'm such a fool...

The older you are, the wiser you get  
Just listen to me  
When life gets tough and you know it will  
Then have a drink on me

The alcohol never talks back to me  
It never tells me when it's time to go home  
It's been my friend for over 25 years  
And she has never cut me low

Don't cut me low

The older you are, the wiser you get  
Just listen to me  
When life gets tough and you know it will  
Then have a drink on me

Too many women, too little time  
And not enough whiskey  
Not enough booze for me

I rather lose my liver than to lose my pride  
And when I'm dead and buried  
Then just have a drink on me

I don't believe in love  
So don't expect too much

The older you are, the wiser you get  
Just listen to me  
When life gets tough and you know it will  
Then have a drink on me  
The older you are, the wiser you get  
Just listen to me  
When life gets tough and you know it will  
Then have a drink on me  
Just have a drink
