

# Pain, She Whipped

I just cried as she hung me off the ceiling  
I just love the pain  
I was ready as she raised her whip  
And she whipped me so good  
She whipped me so good

I never felt this way before  
As this thing was spinning around  
My hands were tied to this hook  
And oh man what she did when she was in control  
And she knows what I need  
And she's making sure to give it to me  
And I don't think I ever want to come down again  
She's raping me

She made me stay like a dog  
I was ready as she raised her whip  
And she whipped me so good  
She whipped me so good

She lets me loose sometimes, and makes me do all my needs  
But i always crawl back again, so she can do what she please  
Sweet love is best, it never makes her sweat  
She ties me down for a second round, there's nothing i regret  
I was begging for mercy  
But on the inside I was begging for more  
It's the only way to make me cum!

She made me stay like a dog  
Please don't ever stop  
She made me stay like a dog  
I was ready as she raised her whip, and she whipped me so good  
She whipped me so good
