

# Pain, Shut Your Mouth

The only thing I ever wanted, the only thing I ever needed  
is my own way - I gotta have it all  
I don't want your opinion, I don't need your ideas  
stay the fuck out of my face, stay away from me  
I'm my own god - I do as I please

just wipe your own ass and - shut your mouth

I had enough and you're going down - shut your mouth  
what comes around you know goes around

my mind is playing tricks on me  
I am not as stable as I used to be  
pushed and shoved, you know you're going too far  
I will not break my back for you no more, I am gonna go my  
way  
I am gonna take control  
time to wake up and dig myself out of this hell

just wipe your own ass and - shut your mouth

I had enough and you're going down - shut your mouth  
what comes around you know goes around - shut your mouth  
you're getting what your ego deserves - shut your mouth  
what comes around you know goes around - shut your mouth

shut your mouth

I had enough and you're going down - shut your mouth  
what comes around you know goes around

shut your mouth  
shut your mouth  
shut your mouth
