

# Paloma Faith, Upside down

Angels watching over me  
With smiles upon their face  
Cause I have made it through this far  
In an unforgiving place  
It feels sometimes this hill's too steep  
For a girl like me to climb  
But I must knock those thoughts right down  
I'll do it in my own time

I don't care  
I'm halfway there  
On a road that leads me straight to who knows where

I tell you what  
What I have found  
That I'm no fool  
I'm just upside down  
Ain't got no cares  
I ain't got no rules  
I think I like  
Living upside down

Watching people scurry by  
Rushing to and fro  
Oh this world is such a crazy place  
It's all about the go go go  
Sometimes life can taste so sweet  
When you slow it down  
You start to see the world a little differently  
When you turn it upside down

I don't care  
I'm halfway there  
And I'm just soaking up the magic in the air

I tell you what  
What I have found  
That I'm no fool  
I'm just upside down  
Ain't got no cares  
I ain't got no rules  
I think I like  
Living upside down

Whoa whoa whoa  
You gotta slow it down  
Yeah yeah yeah  
But then pick it up  
Whoa yeah whoa  
Come on and try a little topsy turvy back to front the right way round  
Take it slow, slow, slow (you gotta pick it up)  
Yeah, yeah, yeah (let me see you slow it down)  
Hey yo, yo, yo (tell me something something)

I tell you what  
What I have found  
That I'm no fool  
I'm just upside down  
Ain't got no cares  
I ain't got no rules  
I think I like  
Living upside down

I tell you what

What I have found  
That I'm no fool  
I'm just upside down  
Ain't got no cares  
I ain't got no rules  
I think I like  
Living upside down
