

# Pantera, Burnnn!!!

We wanta live our life  
Forever each day  
To burn your candle  
At both ends  
Mach 10 velocity  
Not slowing down at all  
Your metal heart  
Just never bends

Ooooooooo  
Don't stop to  
Wait for life just

Burnnn it to the ground

Burnnn !!!  
Its time to sweat  
Have no regret  
Just burnnn it down  
Burnnn !!!  
All you're livin' for  
Is the glory in your heart  
Live hard, die great  
Burnnn it down !!!!!!!!!!!!!!!!!!!!!!!
