

Pantera, Burnnn!!!

We wanta live our life
Forever each day
To burn your candle
At both ends
Mach 10 velocity
Not slowing down at all
Your metal heart
Just never bends

Ooooooo
Don't stop to
Wait for life just

Burnnn it to the ground

Burnnn !!!
Its time to sweat
Have no regret
Just burnnn it down
Burnnn !!!
All you're livin' for
Is the glory in your heart
Live hard, die great
Burnnn it down !!!!!!!!!!!!!!!!!!!!!!!
