

# Pantera, Pantera - Shattered

It's storming broken glass, corpses left in piles  
Ungracious bludgeonment that breaks the earth for miles  
Nothing can stop it, the day has come, from below it's catastrophic  
Freezing, there's no healing families are dying  
This world is shattered... all shattered  
Life crushing turbulence, this wrath can't be denied  
Wishing you could help your friends, standing where they died  
Echoes haunting, a hollow planet, lacerations, dissected nation  
Freezing, there's no healing families are dying  
This world is shattered... all shattered
