Paolo Nutini, Cry Me A River

You were my... earth

But you didn't know all the ways I loved you, no

So you took a chance

And made other plans

But I bet you didn't think that they would come crashing down

You don't have to say, what you did,

I already know, I found out from him

Now there's just no chance, for you and me,

there'll never be

And don't it make you sad about it

You told me you loved me

Why did you leave me, all alone

You tell me you need me

When you call me, on the phone

Girl I refuse, you must have me confused

With some other guy

Your bridges were burned,

and now it's your turn to cry

Cry me a rivér

Cry me a river

Cry me a river

Cry me a river

I know that they say

That somethings are better left unsaid

But it wasn't like you only talked to him and you know it

Don't act like you don't know it

All of these things people told me

Keep messing with my head

You should've picked honesty

Then you may not have blown it

You don't have to say, what you did,

I already know, I found out from him

Now there's just no chance, for you and me,

there'll never be

Baby don't it make you sad about it?

You told me you loved me

Why did you leave me, all alone

Now you tell me you need me

When you call me, on the phone

Girl I refuse, you must have me confused

With some other guy

Your bridges were burned, and now it's your turn

To cry, so

Cry me a river

Cry me a river, oh

Cry me a river

Cry me a river, oh, yeah yeah

Oh, the damage is done

So I guess I be leaving

Oh, the damage is done

So I guess I be leaving

No, the damage is done

So I guess I be leaving

Oh, the damage is done

So I guess I guess I be leaving
