

# Paolo Nutini, Let Me Down Easy

Let me down easy  
Though your love for me is gone  
Let me down easy  
Since you feel that staying is wrong

We are broken by others  
But we mend ourselves  
We take comfort in strangers  
But I don't think it helps  
If every fool were a crown  
I would be a king and not a clown  
Cause love can't be, uuu  
Closer than our hands and our feet

But it's lost on me  
Let me down easy  
Though your love for me is gone  
Let me down easy  
Since you feel that staying is wrong

There was no sweeter fruit than this  
With no taste of bitterness  
It was so fresh and sweet before  
But I can't taste it anymore  
I was like a man with no con  
I had everything  
But as long as I'm lost  
Lost

Let me down easy  
Though your love for me is gone  
Let me down easy  
Since you feel that staying is wrong

On a better day  
we'd be waiting on our corner  
Selling dreams of redemption  
But this time you've gone your way  
So I'll go mine  
Out of sight, out of love, out of time

Your love for me is wrong  
Let me down easy  
Your love for me is gone  
Let me down easy  
Since you feel that staying is wrong

Let me down easy
