

Paolo Santos, Perfect Day--Paolo Santos (Playlis

the sun is shining bright
the trees are swaying side to side
the birds sand their tune
sweet melodies are in my room

* and i woke up today
and i dont know what to say
i just cant ask the one above
for any other day

' its a perfect day
a perfect day to see you
i just hope and pray that you
would see me through
its a perfect day
a perfect day to meet you
i wish tomorrow would be the same too

the sun is shining bright
the trees dancing side to side
the birds sang their tune
sweet melodies were in my room

* '
