

# Paperface, Dance Karate

Leaning against the wall  
I saw you looking so hot  
Walked towards your smile (?)  
And groovy glancing  
Looking in each others eyes  
And there's not  
Any exchange of words  
We just start dancing

Baby I'm a stranger  
You're a stranger to me  
But we're moving and we're grooving  
Baby I'm a stranger  
That's in danger of  
Falling for you and your grooving  
Even though you never said a word  
I'm glad you can woo me  
With your booty  
Baby I'm a stranger  
You're a stranger to me  
But we're moving and we're grooving, oh

By the way you move  
Your gorgeous body  
Somehow I can read your  
Thoughts so clearly  
Baby don't you stop that  
Dance karate  
Ain't no ninja master  
Coming near

Baby I'm a stranger  
You're a stranger to me  
But we're moving and we're grooving  
Baby I'm a stranger  
That's in danger of  
Falling for you and your grooving  
Even though you never said a word  
I'm glad you can woo me  
With your booty  
Baby I'm a stranger  
You're a stranger to me  
But we're moving and we're grooving

Eleven o'clock  
Twelve o'clock  
Don't stop the music  
One forty-five  
Two o'clock  
Don't stop the music  
Seven o'clock  
Eight o'clock  
Don't stop the music  
Don't stop this sound

Dancing till our feet  
Are burning down the disco  
Dancing till our shoes  
Tear a crater in the floor  
Dancing till our toes  
Are starting a tornado  
Dancing like no mortal man  
Has ever danced before

Eleven o'clock
