

Parachute Youth, Count To Ten

I close my eyes again
I count to ten again
But there's no sight of my friends
My friends
I can't see anyone
Because is grey and ___
And I keep play the game
I keep play the game

Stop now
Don't turn around
I keep seeing
I keep playing
Stop now
Don't make a sound
I keep seeing
That you ___

Close your eyes
Count to ten
If you turn around it starts again
