

# Paramore, Caught In The Middle

I can't think of getting old  
it only makes me want to die  
and I can't think of who I was  
cause it just makes me want to cry, cry, cry

can't look back  
can't look too far ahead  
I got the point  
I got the message

I'm just a little bit caught in the middle  
I try to keep going but it's not that simple  
I think I'm a little bit caught in the middle  
gotta keep going to they'll call me a quitter  
yeah, I'm caught in the middle

I was dreaming life away  
all the while just going blind  
can't see the forest for the trees  
behind the lids of my eyes

nostalgia's cool  
but it won't help you now  
a dream is good  
if you don't wear it out

I'm just a little bit caught in the middle  
I try to keep going but it's not that simple  
I think I'm a little bit caught in the middle  
gotta keep going to they'll call me a quitter  
yeah, I'm caught in the middle

no, I don't need no help  
I can sabotage me by myself  
don't need no one else  
I can sabotage me by myself

All the glory days are gone  
it's over now  
I'm on my won

I'm just a little bit caught in the middle  
I try to keep going but it's not that simple  
I think I'm a little bit caught in the middle  
gotta keep going to they'll call me a quitter  
yeah, I'm caught in the middle  
I'm caught in the middle
