Paramore, Never Let This Go

Maybe if my heart stops beating It won't hurt this much And never will I have to answer Again to anyone

Please don't get me wrong

Because I'll never let this go But I can't find the words to tell you I don't want to be alone But now I feel like I don't know you

One day you'll get sick of saying that everything's alright And by then I'm sure I'll be pretending Just like I am tonight

Please don't get me wrong

Because I'll never let this go But I can't find the words to tell you I don't want to be alone But now I feel like I don't know you

Let this go, let this go

But I'll never let this go But I can't find the words to tell you I don't want to be alone But now I feel like I don't know you

I'll never let this go I can't find the words to tell you That now I feel like I don't know you
