

# Paramore, Rose-Colored Boy

Low key no pressure  
Just hang with me and my weather

Rose-colored boy  
I hear you makin' all that noise  
about the world you want to see  
and I'm so annoyed  
cause I just killed off what was left  
of the optimist in me  
hearts are breaking  
wars are raging on  
and I have taken  
my glasses s off  
you got me nervous  
I'm right at the end of my rope  
a half-empty girl  
don't make me laugh,  
I'll choke

just let me cry  
a little bit longer  
I ain't gon smile  
if I don't want to  
hay man  
we all can't be like you  
I wish we're a;; rose-colored, too  
My Rose-colored boy

Low key no pressure  
Just hang with me and my weather

and I want you to stop  
insisting that I'm not  
a lost cause  
cause I been through a lot  
really all I've got is just to stay pissed off  
it's alright by you

hearts are breaking  
wars are raging on  
and I have taken  
my glasses s off  
you got me nervous  
when you're turning it into a joke  
a half-empty girl  
don't make me laugh, I'll

just let me cry  
a little bit longer  
I ain't gon smile  
if I don't want to  
hay man  
we all can't be like you  
I wish we're a;; rose-colored, too  
My Rose-colored boy

leave me here a little bit longer  
I think I wanna stay in the car  
I don't want anybody seeing me cry now  
you say we gotta look on the bright side  
I say we;; maybe if you wanna o blind  
you say my eyes are getting too dark now  
but boy you ain't ever seen my mind

just let me cry  
a little bit longer  
I ain't gon smile  
if I don't want to  
hay man  
we all can't be like you  
I wish we're a;; rose-colored, too  
My Rose-colored boy  
just let me cry  
a little bit longer  
I ain't gon smile  
if I don't want to  
hay man  
we all can't be like you  
I wish we're a;; rose-colored, too  
My Rose-colored boy
