

Paris Bennett, I Will

The said it was over
they said i was through
But a miss tha wreckedge
something began to move
my arms push upward
shake debris off my back
my legs fell there broken and yet here still i stand

Chorus

fire is on every side of me its lite a flame in side of me now night and day its guideing me home: ho

they yell me is hopeless
they say the odds are not good
but ill just remain focused on what i know i should
though my friends say im crazy for goin my own way
early on it used to phase me but now i know there just afraid

Chorus

fire is on every side of me its lite a flame in side of me now night and day its guideing me home: ho
