

Paris Hilton, Bye Bye Boy

Never give up
Never give up
Never give up
That's what my mama told me
Takin' that Chance
Takin' that Chance
takin tht chance
would be the right Thing for me
Now I
I get the Feeling that Maybe my Mama could have been wrong

Every day
Every day
every day
Im Learnin' Things about you
Every Night
Every Night
every night
I'd learned to be without you
Now I
I get the feeling maybe its time for Me to move on

I wasnt lonley before i meet You
Now you make me feel like
I don't know what to do
Things are gonna change
and theres something that i've got to say to you

Chorus:
Bye bye Baby
got to understand
Ya actin' like a Boy
But I'm lookin' for a man
Bye bye Honey
got to make you see
You say you gonna try
but it's not enough for me
I hope you get the message
I'm gonna tell you
Bye Bye Boy

(Bye Bye)

Every Time
Every Time
Every Time
You say you gonna try
Do It again
Do it again
Do it again
Can't tell the truth
through lies
But Now I
I get feeling that you playing you're game
and just leaveing me out
Maybe Im wrong

Maybe Im wrong
Maybe im wrong
could be Mistaken
But I've gotta move on
Gotta move on
Gotta move on

'Cause I know my Heart is breaking
Now i
I get the feeling that the Time has come
to make me Number One

I wasnt lonley before i had You
Now you make me feel like
I don't know what to do
Things are gonna Change
and theres something i've got to say to you

Chorus:
Bye bye Baby
got to understand
Ya actin' like a Boy
But I'm lookin' for a man
Bye bye Honey
got to make you see
You say you gonna try
but it's not enough for me
I hope you get the message
I'm gonna tell you
Bye Bye Boy

(Bye bye)

(Bye Bye Boy)

I wasnt lonley before I had You
