

# Paris Hilton, Good Time (feat. Lil Wayne)

Oh I love it

Are you having a good time  
Cause I'm having a good time  
And I might be a bit tipsy  
But that's okay 'cause you're with me

Are you having a good time  
Cause I'm having a good time  
And I might be a bit tipsy  
But that's okay 'cause you're with me

I came here just to party  
All this don't you hate on me, yeah  
Got my sexy girls with me  
Oh, I love it

Wo-oh, let's party  
Yeah, let's party, and have a good time  
Wo-oh, let's party  
Yeah, let's party, and have a good time

There go the paparazzi  
I really don't give a fuck, who got in my way  
'Cause I came to party rock  
Good times are here, and you know they're here to stay  
If you're not here to party, move and get out of the way

Wo-oh, let's party  
Yeah, let's party, and have a good time  
Wo-oh, let's party  
Yeah, let's party, and have a good time

Are you having a good time  
Cause I'm having a good time  
And I might be a bit tipsy  
But that's okay 'cause you're with me

[Lil' Wayne:]  
I'm fucked up, I can't tell you what's what  
All she know is how to fuck  
I walked up to a big butt, and ask her ass 'bout what  
Tunechi never slacks without a button up  
I roll the dice and love up  
I'm all in, I'm all in  
More money more problems, more money what's old then  
It's YMCMB bitch  
Paris, do you speak french?  
I get special treatment  
Girl turn over, good defense

We turned down for what  
Tomorrow isn't promised  
Tonight is all we got  
And times like these are timeless  
She fucked me like she love me  
Love is such a science, do you think it's love?  
Thanks for not replying  
It's Paris Hilton, bitch

Lick it, lock it, it's the last day to party  
Don't just, don't stop moving  
'Cause we're having a good time, having a good time

Are you having a good time  
Cause I'm having a good time  
And I might be a bit tipsy  
But that's okay 'cause you're with me
