

# Paris Hilton, Jealousy

I thought you were my best friend  
I felt we'd be together 'til the end  
You're not the girl I once knew  
Tell me where she is 'cause she's not you

You used to be that shoulder  
That shoulder I could lean on through it all  
But now it's getting colder  
There's no love between these walls

Jealousy, jealousy, jealousy  
It's such an evil thing to watch someone have  
Jealousy, jealousy, jealousy  
Nobody wins when you're full of envy

La, la, la, la, la, la  
La, la, la, la, la, la, la, la, la

I was always happy  
When I was watchin' you become a star  
But you were only happy  
When the world was openin' up my scars

And now I'm like the devil  
Well if I am, then what does that make you?  
You sold yourself your own fame  
You'd still never walk a day in my shoes

Jealousy, jealousy, jealousy  
It's such a thing to watch someone  
Jealousy, jealousy, jealousy  
Nobody wins when you're full of envy

La, la, la, la, la, la  
La, la, la, la, la, la, la, la, la
