

# Paris Hilton, You Don't See Me

(Verse 1)

This is the place where I sit  
This is the part where I love you too much  
This is as hard as it gets  
Cause I'm getting tired of pretending I'm tough

I'm here if you want me  
I'm yours, you can hold me  
I'm empty and achin'  
And tumblin' and breakin'

(Chorus)

Cause you don't see me  
And you don't need me  
And you don't love me  
The way I wish you would  
The way I know you could

(Verse 2)

I dream a world where you understand  
That I dream a million sleepless nights  
Well I dream a fire when you're touching my hand  
But it twists into smoke when I turn on the lights

I'm speechless and faded  
It's too complicated  
Is this how the book ends,  
Nothing but good friends?

(Chorus)

Cause you don't see me  
And you don't need me  
And you don't love me  
The way I wish you would

The way I wish you would

(Verse 3)

This is the place in my heart  
This is the place where I'm falling apart  
Isn't this just where we met  
And is this the last chance that I'll ever get

I wish I was lonely  
Instead of just only  
Crystal and see-through  
And not enough to you

(Chorus)

Cause you don't see me  
And you don't need me  
And you don't love me  
The way I wish you would

Cause you don't see me  
And you don't need me  
And you don't love me  
The way I wish you would  
The way I know you could
