

# Pastora Soler, No More Tears (Con Mirela)

It&#039;s raining. it&#039;s pouring. my love  
life is boring me to tears after all  
these years.

No sunshine. no moonlight. no star  
dust. no sign of romance. we don&#039;t  
stand a chance.

I always dreamed i&#039;d find the  
perfect lover, but he&#039;d turned out  
to be like every other man. our  
love. our love.

Raining, raining. pouring, pouring.  
there&#039;s nothing left for us here  
and we won&#039;t waste another tear.  
If you&#039;ve had enough, don&#039;t put up  
with his stuff, don&#039;t you do it.  
Now if you&#039;ve had your fill, get the  
check, pay the bill, you can do it.  
Tell him to just get out. nothing  
left to talk about. pack his  
raincoat and show him out. just  
look him in the eye and simply  
shout.

Chorus:  
enough is enough. i can&#039;t go on, i  
can&#039;t go on no more no. enough is  
enough. i want him out, i want him  
out that door now.

Chant:  
enough is enough. oooh oooh oooh.  
oh. enough is enough. that&#039;s  
enough. oooh oooh oooh. yeah.  
If you&#039;ve reached the end, don&#039;t  
pretend that it&#039;s right when it&#039;s  
over.

It&#039;s over. if the feeling is gone,  
don&#039;t think twice, just move on,  
get it over. over, over.

Tell him to just get out. say it  
clearly, spell it out.

Chorus:  
enough is enough is enough. i can&#039;t  
go on, i can&#039;t go on no more no.  
enough is enough is enough. i want  
him out, i want him out that door  
now.

Chant:  
enough is enough. oooh oooh oooh.  
oh. enough is enough. that&#039;s  
enough. oooh oooh oooh.

I always dreamed i&#039;d find the  
perfect lover, but he&#039;d turned out  
to be like every other man. our  
love. our love. i&#039;ve had no choice  
from the start. our love. our love.  
i&#039;ve got to listen to my heart. our  
love. our love. tearin&#039; us apart.  
our love.

Chorus:  
enough is enough is enough. i can&#039;t  
go on, i can&#039;t go on no more no.  
enough is enough is enough. i want  
him out, i want him out that door  
now.

Chant:

enough is enough. oooh oooh oooh.  
oh. enough is enough. that&#039;s  
enough. oooh oooh oooh. yeah.  
No more tears. no more tears. no  
more tears. no more tears. no more  
tears. no more tears. no more tears.  
no more tears.  
Enough is enough is enough is enough  
is enough is enough. i&#039;ve had it.  
i&#039;ve had it. you&#039;ve had it. he&#039;s had  
it. we&#039;ve had it. he&#039;s had it. you&#039;ve  
had it. i&#039;ve had it. i&#039;ve had it.  
you&#039;ve had it. we&#039;ve had it. enough  
is enough.  
I always dreamed i&#039;d find the  
perfect lover, but he&#039;d turned out  
to be like every other man. our  
love. our love. i&#039;ve had no choice  
from the start. our love. our love.  
listen to me, i&#039;ve got to listen to  
my heart. our love. our love. tearin&#039;  
us apart.  
Chorus:  
enough is enough is enough. i can&#039;t  
go on, i can&#039;t go on no more no.  
enough is enough is enough. i want  
him out, i want him out that door  
now.  
Good-bye, mister. good-bye, good-bye,  
mister. good-bye, sugar.  
It&#039;s raining. it&#039;s pouring. there&#039;s  
nothing left for us here and we won&#039;t  
waste another tear.  
Enough is enough is enough is enough  
is enough is enough is enough is  
enough, that&#039;s enough. no more tears.  
enough is enough is enough is enough  
is enough is enough is enough is  
enough is enough!
