

Pati Sokół, Neverland

You know me
You're on my side
You love me
The way I am
I am safe with you
You all I need
I am strong
I don't have to pretend
But I am lonely
I am lonely
I am now lonely
Is it a dream?

There's a place
Where I can breath
(Neverland)
A place where I am free
(Neverland)
I'll take you there
(Neverland)
If you dare
To believe
To believe

I want to thank you
For your open mind
You trust in me
Let me be myself
Because of you
I've opened the door to reality
It's wide open here
It's beautiful
So [?] and warm
So nice

There's a place
Where I can breath
(Neverland)
A place where I am free
(Neverland)
I'll take you there
(Neverland)
If you dare

It's not a sin to tell the true
Not a sin
It's not a crime to be yourself

It's like you're falling apart
It's like you're losing your mind
Like you're alone in the world
But there's a place you can find
If you believe in inside
It's not a crime to be yourself
Cause you have nothing to hide

Feels like you're falling apart
Like you're losing your mind
Like you're alone in the world
Bur there's a place you can find

There's a place
Where I can breath
(Neverland)

A place where I am free
(Neverland)
I'll take you there
(Neverland)
If you dare
