

Patricia Kazadi, My Oh My

Hands on my body
Hands on my body

Hands on my body
Move my body

Body, body

Oh yeah,
I like it
I got my eyes on you
And I not try to hide it
I'll let you find me
So you will ()
I got it!

You laying on fire
When you put your hands on my body
I like it when you tryin? move your hands on my body
