

# Patricia Kazadi, Shake The World

Will somebody cut up?  
The music is higher  
Until we hit the top  
It's already moving  
So don't try to stop it now  
Now, now

They don't see it coming  
We basing, we drumming  
Born to live loud  
Everyone is looking for something  
Waiting and want some more  
More...

So hear it now!  
Let's dance until we fall  
We be proud  
Put your hands up /3x  
Shake The World!
