

Patris, LET'S GET MOVIN'

Taking to myself, ey
I'm getting brave to saving me
Why you want loyalty
Am I really savage ?

To myself, ey
To myself
Demons in my head are lying straight
To me

Aaa, a, aaaa
Am I guilty ?
Aaa, a, aaaa

One and the only sound
It's taking to myself
I'm trying to be right
Do you wanna play with me ?

One and the only sound
It's taking to myself
I'm trying to be right

Na na na nana
Let's get dance to music
Na na na nana
Let's get dance

Na na na nana
Sing and let's get movin'
Na na na nana
Sing and let's get movin'
Na na na nana

You'll never really know me babe
Who I am ?
You'll never really know me
I'm bad and then I'm holy
I'm holy
It's my party time
It's my party time

Aaa, a, aaaa
Am I guilty ?
Aaa, a, aaa
