## Patti LaBelle, I'll Write A Song For You

(Al McKay, Philip Bailey & Dry Steve Beckmeier)

[Originally by Earth, Wind And Fire]

I thirst but never quench
I know the consequence, feeling as I do
We're in a spinning top
Where, tell me, will it stop
And what am I to say
Open our music book, that only few can look
And I'll write a song for you

Love is a symphony, hearts in one melody 'Cause I write a song for you Sounds never dissipate, they only recreate In another place There in your silent night Joy of a song's delight I write a song for you You write a song for me We write a song for love

My magical mystique, finding it all complete In a lovely face, feeling we try to chase Memories that won't erase, stay forever new We have a magic box in which is never locked
